

MEMORANDUM FOR: THE RECORD

I called Frank Degnan this date and advised that CIA does not have any problem with the information on page 8 of the draft report. He said a telephonic OK was sufficient and I need not submit anything in writing.

Robin: in March you and [redacted] were kind enough to brief two GAO employees on the terrorist threat to U.S. nuclear weapons facilities abroad. GAO has now completed a draft report (attached) and would like our approval of the information on page 8. Could you please look it over, provide any comments you might have, and return to me.

Thanks a lot.

Karen

1 to 5: The "March" you refer to was March 1985 - not 86, methinks. A distant memory at best.

In any case, the para on CIA (P.8) views is basically accurate + I have no problems with it.
